BOOK SYNOPSIS

In the mid-1990s, Chris Kimball moved into an 1859 Victorian townhouse on the South End of Boston and, as he became accustomed to the quirks and peculiarities of the house and neighborhood, he began to wonder what it was like to live and cook in that era. In particular, he became fascinated with Fannie Farmers Boston Cooking-School Cook Book. Published in 1896, it was the best-selling cookbook of its age-full of odd, long-forgotten ingredients, fascinating details about how the recipes were concocted, and some truly amazing dishes (as well as some awful ones). In Fannies Last Supper, Kimball describes the experience of re-creating one of Fannie Farmers amazing menus: a twelve-course Christmas dinner that she served at the end of the century. Kimball immersed himself in composing twenty different recipes-including rissoles, Lobster À l'Américaine, Roast Goose with Chestnut Stuffing and Jus, and Mandarin Cake-with all the inherent difficulties of sourcing unusual animal parts and mastering many now-forgotten techniques, including regulating the heat on a coal cookstove and boiling a calfs head without its turning to mush, all sans food processor or oven thermometer. Kimballs research leads to many hilarious scenes, bizarre tastings, and an incredible armchair experience for any reader interested in food and the Victorian era. Fannies Last Supper includes the dishes from the dinner and revised and updated recipes from The Boston Cooking-School Cook Book. A culinary thriller. it offers a fresh look at something that most of us take for granted-the American table.

FANNIES LAST SUPPER RE-CREATING ONE AMAZING MEAL FROM

FANNIE FARMERS 1896 COOKBOOK - Are you looking for Ebook Fannies Last Supper Re-creating One Amazing Meal From Fannie Farmers 1896 Cookbook?
