BOOK SYNOPSIS

As the largest metropolis on the planet, Mexico City can overwhelm even the most adventurous visitor. Thankfully, *Mexico City: An Opinionated Guide for the Curious Traveler* gives you a thorough, guiding hand to make your stay outstanding. Written by Jim Johnston, a longtime resident who knows the city inside and out, this travel guide delivers detailed walking tours of the city that include the most popular tourist spots and the lesser-known areas. Johnston knows where to stay, what to do, and where to eat: everything from authentic market food to sophisticated Mexican cuisine. What began as a collection of notes to share with good friends is now available to every newcomer looking for a joyful, memorable stay in Mexico City! "This is the guidebook that I want. Wonderfully written, airtight information, organized in the smartest possible way. I can't imagine a better Mexico City guide for these times." -Tony Cohan, author of *Mexican Days* and *On Mexican Time* "Johnston is the friend you wish you had in every great city, toting you from palace to museum to park but never missing the exquisite pastelería, the grand hotel lobby or the clean public bathroom." -San Francisco Chronicle
