## BOOK SYNOPSIS

Gabe is the best looking guy in school—that's why his friends send him to get girls to their party. Helen is not much to look at—that's why her friends want her to come along. But Helen gets under Gabe's skin in a way no other girl has. It was one night. One night with lasting consequences. Now Helen has to decide if she wants to keep the baby—and if she should tell Gabe, who hasn't spoken to her since their one night together. Filled with love, fear, and the tough choices born of casual acts, *One Night* is a passionate and compellingly readable novel about teen life, the hardships of parenthood—and the joy and forgiveness between family and friends. From the Hardcover edition.
